Could Roberto Donna and Michel Richard be talking about hamburgers?

Michel Richard Wants To Be Your *Chez du Burger!*

by *Linda Roth Conte*

It's time to take it down a notch! **Michel Richard** is doing just that by signing a deal to open a more casual themed restaurant in the District. **Central** will serve burgers – his way – with tuna, lobster as well as beef. The 10th and Pennsylvania Ave, NW site will add to the *growing* popularity of the area, as it's near **Ten Penn** and **Fogo de Chao**.
